

## CloverBook Plus FHD

### Foldable, Portable Video Magnifier

CloverBook Plus offers a large, 12.5-inch FHD screen and a powerful distance; all in a light, foldable, extremely portable unit, complete with an attractive protective carry case. CloverBook Plus is powerful but simple to use; with traditional (tactile) controls or you can navigate using the touchscreen.

### Unique Features

CloverBook Plus boasts unique features like a user-replaceable battery and very discreet additional camera that folds out for distance and self-viewing. Try one, and see how easy it is to use the new, super-portable, powerful and affordable CloverBook Plus.

### Classroom or Office Use:

CloverBook Plus is perfect for students and professionals who need to read documents and write at their desk, while also viewing an instructor/presenter. The portable design makes it easy to move between class, work and home.

### About the CloverBook Plus
